This is a legal agreement between you and Sumatra Development LLC ("Sumatra"). This Agreement states the terms and conditions on which Sumatra offers to license the Sumatra SuHoliday cmdlet for Microsoft® Exchange 2010 (the "Program") and the accompanying on-line read-me and help files (the "Documentation") including, but not limited to, the executable programs, drivers, libraries and data files associated with the Program.

PLEASE NOTE THAT YOU MAY NOT USE, COPY, MODIFY OR TRANSFER THE PROGRAM OR DOCUMENTATION OR ANY COPY, EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT. NOR MAY YOU SUB-LICENSE ANY OF YOUR RIGHTS UNDER THIS AGREEMENT.

LICENSE: This software program (the "Program") and the accompanying on-line read-me and help files (the "Documentation") are licensed, not sold, to you. The term "Program" shall also include any updates of the Program licensed to you by Sumatra. Subject to the terms of this agreement, you have a non-exclusive and nontransferable right to use the Program and Documentation for non-commercial (e.g., not for resale or rental or the like), educational, evaluation or personal purposes only. You may use this Program on a single subdomain network by a single network administrator at one time located in the United Kingdom or United States and its territories or any other country to which this Program is legally exported. You agree to use your best efforts to prevent and protect the contents of the Program and Documentation from unauthorized disclosure or use. Sumatra reserves all rights not expressly granted to you.

LIMITATION ON USE: You may not rent, lease, sell or otherwise transfer or distribute copies of the Program or Documentation to others. You may not modify or translate the Program or the Documentation without the prior written consent of Sumatra. You may not reverse assemble, reverse compile or otherwise attempt to create the source code from the Program. You may not use Sumatra's name to refer to Sumatra Development LLC directly or indirectly in any papers, articles, advertisements, sales presentations, news releases or releases to any third party without the prior written approval of Sumatra for each such use. You may not release the results of any performance or functional evaluation of any Program to any third party without prior written approval of Sumatra for each such release.

BACKUP AND TRANSFER: You may make one archival copy of the Program for backup purposes provided Sumatra's copyright notice is included. You may not sublicense, assign, delegate, rent, lease, time-share or otherwise transfer this license or any of the related

rights or obligations for any reason. Any attempt to make any such sublicense, assignment, delegation or other transfer by you shall be void. You may physically transfer the Program from one Exchange 2010 server to another provided that the Program (including any portion or copy thereof) is erased from the first server and there is no possibility that the Program will be used on more than one network at a time.

COPYRIGHT: The Program and related Documentation are copyrighted by Sumatra. By acceptance of this Agreement you specifically acknowledge that the Program is protected by copyright and that you have received notice of said copyright protection. You agree that you neither own nor hereby acquire any claim or right of ownership to the Program and Documentation or to any related patents, copyrights, trademarks or other intellectual property. Sumatra retains all right, title and interest in and to the Documentation and all copies and the Program at all times, regardless of the form or media in or on which the original or other copies may subsequently exist, and reserves all rights not expressly granted to you. This license is not a sale of the original or any subsequent copy. All content accessed through the Program is the property of the applicable content owner and may be protected by applicable copyright law. This license gives you no rights to such content.

You must also inform Sumatra that you wish to terminate your agreement so your account and software license may be canceled. This license automatically terminates if you fail to comply with its terms and conditions. You agree that, upon such termination, you will either destroy (or permanently erase) all copies of the Program and Documentation, or return the original Program and Documentation to Sumatra, together with any other material you have received from Sumatra in connection with the Program. If you fail to comply with the terms and conditions of this agreement, for example if you were to distribute the software against the terms listed, you agree to pay a penalty for said breach of contract, this penalty will be determined at the discretion of Sumatra up to a maximum of \$10,000.00. Sumatra further reserves the right to require an application fee in the event the nature of the upgrade or maintenance release is such that Sumatra determines that any application should be performed solely by Sumatra. In the event such an application by Sumatra is required, Sumatra agrees to insure the quality of said upgrade or maintenance release by performing a backup of your current system prior to any application of said upgrade or maintenance release by Sumatra.

NEW VERSIONS OF THE PROGRAM: You agree that Sumatra is under no obligation to release any new version of the Program and/or Documentation. In the event a new version of the Program and/or Documentation (e.g. a Version for the year 2015 or for a later or earlier version of Microsoft Exchange) is released by Sumatra, you agree to pay for a new upgrade license, at a price to be determined by Sumatra at its discretion, should you wish to use said new version.
